ORDER NO.

SUBJECT:

DOCKET NO. 2009-512-W - Application of Hamilton-Haynes Water System for an Establishment of Its Service Area, Rates and Charges for the Provision of Water Services – Discuss this Matter with the Commission.

COMMISSION ACTION:

Move that we approve the establishment of Hamilton-Haynes Water Works as a NARUC Class C water utility under the statutes and regulations of this Commission, including the proposed service area. I also move that we approve the Settlement Agreement of the parties in this matter, including the schedule of rates and charges set forth in that document and its exhibits, and that we find such rates and charges to be just and reasonable. In addition, I move that we approve a 2.8% operating margin for this Company. Mr. Chairman, I also believe that Hamilton-Haynes should be ordered to file a performance bond with the Commission, with a copy to the Office of Regulatory Staff, in the amount of \$100,000. This bond should satisfy the criteria set forth in S.C. Code Ann. Section 58-5-720.
